## Notes

- If students place into a split level (e.g. Level 4 for Writing and Level 3 for Grammar, the placement will default to the lower level).
- If students place one levels apart (e.g. Level 1 for Writing and Level 3 for Grammar, they may retest for those sections).
- If a student is in Level 0 and part-time, start with Reading & Discussion
- ESL Enrichment (Exit Test Prep Sessions) available in June or January (*contact Tutorial Services*).
